At its substantive session, the Council postponed consideration of this application.

The Council will also have before it the applications of two intergovernmental organizations requesting observer status, namely, the Islamic Development Bank and the Islamic Educational, Scientific and Cultural Organization.

3. Basic programme of work of the Council

In accordance with rule 8 of the rules of procedure of the Council, the Council shall draw up, at its organizational session, with the assistance of the Secretary-General, its basic programme of work.

The Council will have before it the proposed basic programme of work of the Council for 2003 and 2004 prepared by the Secretariat in accordance with the relevant decisions of the Council and of the General Assembly.

In its decision 2002/309, the Council decided that the high-level segment of its substantive session of 2003 would be devoted to consideration of the following theme: "Promoting an integrated approach to rural development in developing countries for poverty eradication and sustainable development".

In the same decision, the Council decided that the coordination segment of its substantive session of 2003 would be devoted to consideration of the following theme: "The role of the Economic and Social Council in the integrated and coordinated implementation of the outcomes of and follow-up to major United Nations conferences and summits".

The Council's attention is drawn to General Assembly resolution 52/12 B by which the Assembly decided to create a humanitarian affairs segment of the Council. At its organizational session for 1999, the Council decided, in its decision 1999/208, to select a theme for the humanitarian affairs segment of its substantive session of 1999. The Council may wish to follow a similar procedure for its humanitarian affairs segment in 2003.

Pursuant to Council decision 1982/174 on the rationalization of the work of the Council, the Council decided to identify, at its organizational session, a subject relating to interregional cooperation, of common interest to all regions, for detailed consideration under the agenda item on regional cooperation, and to request the executive secretaries of the regional commissions to submit their joint recommendations in that regard to the Council at its annual organizational session.

Pursuant to Council resolution 1988/77 on the revitalization of the Council, the President, prior to the organizational session, and with the cooperation of the other members of the Bureau, will arrange for consultations with members of the Council on the draft programme of work and provisional agenda prepared by the Secretary-General and make proposals thereon for consideration by the Council.
